

What Will You Find?

Goodness, you won't believe the bargains we found
Shopping in the thrift stores in those small towns

We got up early and headed out
To see what the Bargain Extravaganza was about

We were so excited they accepted our donations
In most all of the locations

We had no idea there were so many shops
So today we made just a few stops

Later this week, we'll visit the rest
I love thrift stores, I must confess

You'll find different merchandise most every week
Maybe something new, unusual or unique

Drive the bargain extravaganza and you will see
You won't be disappointed; I know you'd agree
