**For additional information and registration by phone:
218-547-6847 or 218-547-6839**

If you are immune compromised, contact your health care professional to discuss your eligibility before registering. If you are feeling sick, have any symptoms of COVID-19, or have received monoclonal antibodies or convalescent plasma as part of a COVID-19 treatment in the past 90 days, postpone your vaccine. If you have questions about your health status and COVID-19 vaccination or have had severe allergic reaction to any vaccine in the past, please contact your health care professional before registering. A minimum 15-minute wait period is required following vaccination. COVID-19 precautions of face masks and social distancing of 6 feet at clinic are required. COVID-19 tests are not available at Cass County HHVS.

*Based on vaccine availability.
